From the Director's desk

Placement Cell of NID Haryana started with one staff member and is now established with faculty member Mr.Trilok Raj Chauhan leading it and SPR's (Student Placement Representatives) of 3rd year being the team that presently includes Mr. Surya Teja, Ms. Harshita Jajodia, Ms. Soumya Garg and Ms. Ayushree Das.

Study of data of placement offers received by students is very heartening and it is also creditable that all placement tasks are conducted in online mode.

NID Haryana looks forward to connecting more with Industry for class room projects, internships, Campus fairs, placements and overall mentoring. Industry oriented and multi-disciplinary education of NIDH trains students to be contributing in their industry roles from the start of their engagement with the industry. It is seen in the way NID Haryana students are establishing themselves in the industry.

Placement cell plays a crucial role in being a strong link between Institute academics and Industry or Pofessional practice.

Congratulations team!!! The Institute is proud of your efforts.

Dr.Vanita Ahuja **Director,NIDH**

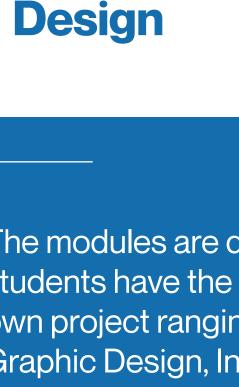

NID Haryana offers fulltime Four year Bachelor of Design (B. Des) programme with specialization streams of

Industrial Design

Communication

Textile & Apparel Design

The modules are designed in a way where students have the freedom to choose their own project ranging from Film, Animation, Graphic Design, Interface Design and In teraction Design with basic modules that are common to all. The program commences with the fundamen tals of textile and apparel design. This in cludes textile fibres, weave structure, surface design, dyeing techniques, printing methods, sewing techniques, constructed textiles and basic inputs in garment design.

About the Placement Cell

As any good professional institute across the world, NID Haryana is continuously striving for transforming students into skilled professionals, having the ultimate goal of either getting them 'placed' in a relevant job at industry, or shaping them into successful entrepreneurs.

The salient features of NID Haryana that result in better placement are:

Dynamic Industry Institute Interface

With many MOUs with various Institutes in different sectors, our students get first-hand exposure to the latest industrial practices and work culture, by way of Corporate talks by the Industry experts, Industrial visits, Industrial consultancy, and Internships.

Continuous Upskilling

Based on the Industry feedback, placement team is continuously working on Employability Measurement, Industry Readiness, Digital Portfolio, Skill Gap Analysis, **Direct Industry-Interaction** Network, Recruitment Engine, Placement Assis tance.

Campus Placement Drives

Our placement process has been refined to make recruitment as simple as possible, for students and companies alike. The Campus Drive process includes Online / Offline Test, Group Discussion, Personal Interview – Technical / HR, Skype / Telephonic Interview.

Type of Placement

Placement cell floats opportunity to students for the following:

The Placement Cell stands committed to help all the companies associ ating with the college and availing the services extended by the cell to conduct their internship drives during the internship season in a time bound, hassle-free, judicious and mutually beneficial manner, and to help the students get the best internships on offer.

It is our constant endeavour to serve our stakeholders to the best of our capacity, and create a conducive atmosphere for the establishment of a synergistic conjunction of recruiters and the student community.

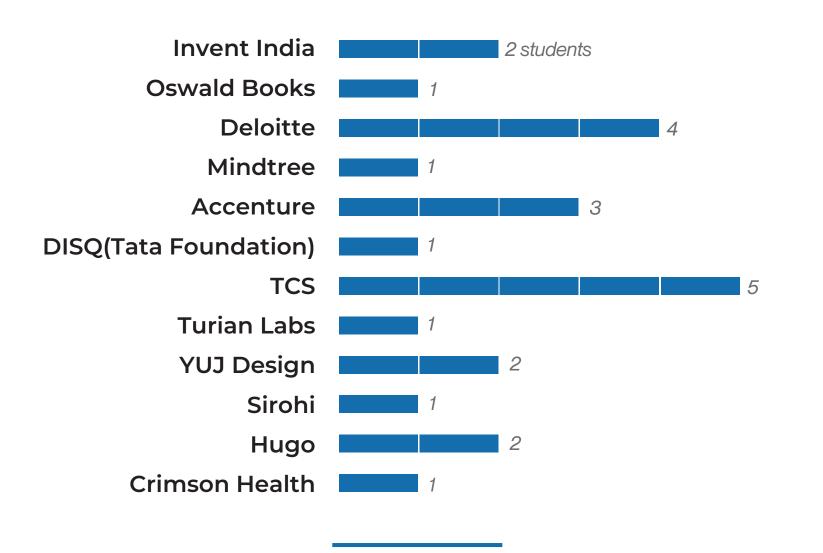

All companies seeking to recruit interns from NID Haryana through the Placement Cell must first register themselves with the Placement Cell.
