

established on November 15, 2016 as an autonomous institute under the Department for Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce and Industry, Government of India, to emerge as a global leader in **Design Education and Research**. The institute aims at becoming the torchbearer for innovative design directions in the industry and development sectors.

NID Haryana's multidisciplinary environment consisting of diverse design domains helps in creating an innovative ecosystem for design learning and delivering solutions, focusing on the emerging needs of people integrated with digital and cutting edge technologies.

**Prof. Ramneek Kaur Majithia**Director, National Institute of Design, Haryana

### From the **Director's Desk**

As the National Institute of Design, Haryana celebrates its tenth year of excellence, it gives me immense pleasure to present our **graduating class of 2026**, a cohort that embodies the best of contemporary design education.

Over the past decade, our graduates have made significant contributions across the design industry, from leading global firms to launching innovative ventures. The current students continue this legacy with exceptional capabilities across **Communication**Design, - Graphics/ Film/ Animation/ Space, UI/UX, Industrial

Design - Product/ Furniture/ Automotive Design, and Textiles & Apparel Design - Woven/Printed/Sustainable Textiles, combined with strong leadership and collaborative skills.

At NID Haryana, we nurture an environment where students engage with real-world challenges and develop practical skills alongside creative vision. They work on industry-relevant projects, engage with communities, and develop a keen understanding of global design practices. This enables our graduates as **skilled practitioners and thoughtful innovators** to tackle complex challenges, nurture innovation and drive positive change by contributing meaningfully to your organization.

We invite you to explore the portfolios of our graduating batch and discover the exceptional talent that is ready to contribute meaningfully to your organization. NID Haryana looks forward to building long-term partnerships that will prove to be enriching and professionally rewarding.

## **NIDH** offersa 4 year Residential **B.Des** Program, Across 3 Disciplines

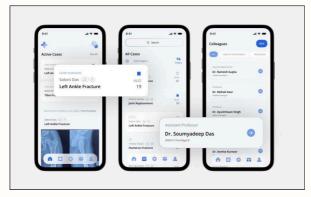

Communication Design

Industrial Design

Birsa Munda Illustrated Graphic Novel Ayush Singh

Prognos User Experience Design Navya Jindal
